William Tell Told Again

by P. G. Wodehouse (1881-1975)

This is the classic story of William Tell - Swiss patriot and great apple-shooter - as seen through the eyes of English humorist P.G. Wodehouse. No Swiss were (permanently) injured in the telling of this story; however, results differed for Austrian tyrants. The original volume also included a humorous poem encapsulating the whole Tell legend, written by John W. Houghton to accompany the sixteen color illustrations. For this audiobook, the stanzas have been collected and read as a single poem.

This project has 8 files and a total running time of 1:44:01.
